

### **DGVN NRW returns to Kobe for NMUN Japan 2020!**

We will once again take a group of students to the National Model UN (NMUN) Japan in Kobe, Japan, (<https://www.nmun.org/conferences/japan.html>). There you will participate at a UN-simulation with ca. 250 other students from all over the world! A very exciting program is offered prior to and during the simulation: <https://www.nmun.org/conferences/japan/at-the-conference/conference-schedule.html>. We will also attempt to offer a study-trip to various places in Tokyo prior to the Conference, in 2016 we visited the UNU, German Embassy and had several briefings, including by former Under-Secretary-General for Humanitarian Affairs and Emergency Relief Coordinator Ambassador Akashi. At the NMUN Kobe 2016 we were honored to represent Japan and Moldova. Some financial support is available upon request, efforts to acquire more financial support are undertaken.

You will be prepared through online-meetings by a long-time NMUN Faculty Adviser who will also accompany you to Japan. He will also help you with getting to know the rules, how to write a position paper, structure and workings of the UN, rhetorical skills, the role of your country at the UN, etc. Much of the preparation will take place online or on week-ends. The program requires good English skills, participation in preparatory sessions, simulation and at the final presentation of results. Prior participation at Model UNs is helpful but not required. All preparatory meetings can take place via zoom. More information about the NMUN-project can be found on the homepage of the National Model UN ([www.nmun.org](http://www.nmun.org)).
